

8th September 2021

Travel Update

As vaccination rates rise and the world starts to open up again, we're gradually resuming our tour programme. Please be reassured that we will continue to stringently observe all current protocols and recommendations around COVID-19 in all aspects of our tour arrangements and itineraries.

UK travellers:

Our tours within the UK resumed in 2021 and our international tours are due to resume in December 2021. We're very much looking forward to a safe, responsible return to tour operating in 2022. Our friendly staff are happy to discuss your travel requirements including advice on the government traffic light system, where to source and how to navigate PCR tests.

The latest travel advice can be found at [Foreign travel advice - GOV.UK \(www.gov.uk\)](https://www.gov.uk/foreign-travel-advice)

Jon Baines Tours have been awarded the "Good to Go" UK Industry standard demonstrating that we have shown compliance with international government and industry COVID-19 guidelines, have a Risk Assessment in place and ensure social distancing on tour.

Australian travellers:

We're currently running Australian tours around border closures and will continue to do so.

We anticipate being able to take Australians on international tours from 2022 and have an exciting line up of new tours and destinations ready to launch as the world starts to open up again. We're taking bookings for these tours now - please keep an eye on our website and social media for these opportunities.

As always, we're happy to talk to you about any of our tours or answer any questions on 03 9343 6367 or info@jonbainestours.com.au.

You can also check the government [Smart Traveller](https://www.gov.uk/smart-traveller) website for up to date information about travel and safety advice.
